Prices, equipment
and technical specifications

Prices applicable from April 2024 E & OE

EQUIPMENT

ALLURE

PEUGEOT Open & Go (Keyless entry with 'proximity' locking and unlocking)

Advanced Emergency Braking System (Video-AEB). Includes radar (AEB3) as standard

Extended Traffic Sign Recognition (ETSR)

Adaptive cruise control with Stop & Go function

180° Colour Reversing Camera with wash system and rear sensors

Automatic Dual Zone Air Conditioning with Air Quality System (AQS3)

PEUGEOT i-CONNECT® Advanced with connected navigation

Peugeot LED Technology headlights

Dark-tinted rear side windows and timed heated rear window

19" 'Jaspe' diamond cut alloy wheels

GT

Equipment in addition to the Allure

180° Colour Reversing Camera with wash system and front & rear sensors

'Clean Cabin' Technology linked to automatic air conditioning (exterior/interior air quality monitoring)

Ambient Lighting - choice of 8 colours

Driver Sport Pack - steering/accelerator/gearbox/digital engine sound (can be deactivated)

Drive Assist Plus Pack - Adaptive cruise control with Stop & Go function, helps maintain speed lane position

Peugeot i-Cockpit® with customizable 10" 3D digital instrumentation

Peugeot Matrix LED Technology headlights

Frameless Electrochrome Interior Mirror

Heated steering wheel

Smart Electric Tailgate - foot operated with pedestrian detection

19" 'Graphite' diamond cut alloy wheels

* WLTP data currently being approved. Minimum - maximum mixed WLTP CO₂ emissions on the engine. The CO₂ emissions from the vehicle depend on the version selected as well as the options on the vehicle.
 **Dealer delivery related charges, metallic paint and tyre recycling levy not included.

(1) The CO₂ emissions entered are mixed and expressed in grams per kilometre. The fuel consumption and CO₂ emission values provided comply with WLTP approval (EU regulation 2017/948). Since 1 September 2018, new vehicles are approved on the basis of the worldwide harmonised light-duty vehicles test procedure (WLTP), which is a new, more realistic test procedure to measure fuel consumption and CO₂ emissions. This WLTP procedure fully replaces the New European Driving Cycle (NEDC), which was the previous test procedure. As the test conditions are more realistic, the fuel consumption and CO₂ emissions measured according to the WLTP procedure are, in many cases, higher than those measured according to the NEDC procedure. The fuel consumption and CO₂ emission values may vary depending on specific equipment, options and types of tyres. Contact your point-of-sale for more information. More information on www.peugeot.ie

STANDARD EQUIPMENT

SAFETY & SECURITY

- Airbags: Adaptive driver and front passenger airbags (includes passenger airbag deactivation function)
- Airbags: Driver and front passenger side airbag
- Airbags: Front & rear curtain airbags
- Alarm - Perimeter, Volumetric and Anti-lift
- Isofix child seat fittings (x2) in the second row
- ESP (Electronic Stability Programme) with Hill Start Assist
- Puncture repair and tyre inflation kit
- AVAS: Acoustic Vehicle Alerting System. Generates a sound when travelling at low speed, audible outside the vehicle for pedestrian safety. **Standard on all Hybrid versions**

ADVANCE SECURITY

- Automatic emergency braking (Active Safety Brake) with collision risk warning,
- Automatic emergency braking day and night (camera & radar)
- Active alert for involuntary lane and low crossing side,
- Extended recognition of traffic signs and speed recommendations,
- Driver attention alert

COMFORT & CONVENIENCE

- Central armrest with storage and cup holder
- Electric parking brake
- One-touch' electric front & rear windows with pinch protection
- Electric power steering with reach and rake manually adjustable steering column
- Drive mode selector (PureTech: Eco/Normal/Sport, PLUG-IN HYBRID: Electric/ Hybrid/Sport)
- 12V sockets - cabin & boot

Image for illustration purposes only

STANDARD EQUIPMENT

MULTIMEDIA AND NAVIGATION

- PEUGEOT i-CONNECT® 10-inch (1920x720) HD fully customisable touch screen
- DAB & AM/FM bi-tuner
- Wireless Mirror Screen (with Apple Car Play, Android Auto)
- Bluetooth (connect to 2 phones)
- Up to 8 Driver Profiles – USB Sockets (x4)

408 PLUG-IN HYBRID SPECIFICS

- Battery capacity 12,4kWh / Battery power 100kW
- Charging cable mode 3
- On-board charger 3,7kW
- Driving mode selector: Electric, Hybrid and Sport
- Information on position, consumption, remote maintenance, driving statistics and battery charge status
- Thermal preconditioning and deferred charging via My Peugeot or the central screen

Image for illustration purposes only

FINISH ALLURE

SAFETY AND SECURITY

- LED daytime running lights under headlights
- Pack Safety Plus - Automatic emergency braking day and night (camera & radar)
- Advanced Emergency Braking System (Video-AEB). Includes radar (AEBS3) as standard
- Extended Traffic Sign Recognition (ETSR)

COMFORT & CONVENIENCE

- Automatic Dual Zone Air Conditioning with Air Quality System (AQS3)
- Dark tinted rear side and tailgate windows
- Electric Folding Door Mirrors
- Electrochrome rearview mirror
- 180° Colour Reversing Camera with wash system & rear sensors
- Drive mode selector
- PEUGEOT Open & Go (Keyless entry with 'proximity' locking and unlocking)

RIMS AND WHEELS

- 19" JASPE alloy wheels

FINISH ALLURE

EXTERIOR LIGHTING AND VISIBILITY

- ECO LED Headlights
- Front and rear signature daytime running lights
- 'PEUGEOT Smartbeam' – High Beam Assist

• INTERIOR FEATURES

- 'Dynamic' front seats
- 'Fractil' embossed fabric with 'Isabella' leather effect trim
- Driver seat manual lumbar adjustment
- Aluminium sports pedals

• SAFETY AND SECURITY

- 180° Colour Reversing Camera with wash system
- Drive Assist Pack
 - Adaptive cruise control with Stop & Go function

FINISH GT

Equipment in addition to the Allure

SAFETY AND SECURITY

- Pack Drive Assist Plus - Adaptive cruise control with Stop & Go function helps maintain lane position
- PEUGEOT SOS & Assistance
- Lane Positioning Assist

COMFORT & CONVENIENCE

- 10" 3D instrument Panel Display
- 'Clean Cabin' Technology linked to automatic air conditioning (exterior/interior air quality monitoring)
- Heated steering wheel
- Driver Sport Pack - steering/accelerator/gearbox/digital engine sound (can be deactivated)
- Smart Electric Tailgate - foot operated with pedestrian detection
- Smartphone Wireless Charger

RIMS AND WHEELS

- 19" 'Graphite' diamond cut alloy wheels

FINISH

GT

Equipment in addition to the Allure

EXTERIOR LIGHTING AND VISIBILITY

- Peugeot Matrix LED Technology headlights
- Full 3D LED rear lights with PEUGEOT
- 'Claw effect' daytime running lights and 'welcome sequence'

INTERIOR FEATURES

- Aluminium door and boot sill trims
- Ambient Lighting - choice of 8 colours
- Cabin stitch detailing in 'Adamite' green
- Frameless Electrochrome Interior Mirror
- Full grain leather steering wheel with 'Adamite' green stitching & 'GT' badging
- Fraxx Knit / TEP / Alcantara® tri-material upholstery
- luxury Carpet Mats with 'Adamite' green stitching
- Sunvisors featuring concealable vanity mirrors with LED lighting

3D DIGITAL HANDSET

Fully configurable and customizable, the 3D digital cluster projects information on two levels of vision. Depending on the importance of the information, it can be displayed dynamically closer or farther away from the driver's eye. This improves the driver's response time by about half a second.

CUSTOMISBLE VIRTUAL I-TOGGLES

A second touch screen completes the central 10" screen to allow you to create your own shortcuts. Thus, you can customize direct access keys to the air conditioning, to contacts, to a radio, to an application...

EQUIPMENT DETAILS

FOCAL® HI-FI PREMIUM SYSTEM

FOCAL® PREMIUM HI-FI SYSTEM

The FOCAL® Premium Hi-Fi System features 10 new generation speakers, a new subwoofer, and enhanced amplification. The 12-channel amplifier delivers 690W of power.

CLEAN CABIN

The Clean Cabin system is a complete incoming air management system that acts according to the pollution outside and inside the vehicle. Thanks to its HE (High Efficiency) filter, it allows to purify the interior air in a few minutes.

The driver has access through the central screen to the indoor air quality index calculated by a particle sensor.

EQUIPMENT DETAILS

DRIVE ASSIST PLUS PACK

This system combines Adaptive Cruise Control (ACC Stop & Go) and Lane Positioning Assist to manage semi-autonomous driving under specific conditions. The vehicle manages steering and speed.

The driver selects a reference speed in the ACC (from 0 km/h) and activates the LPA. The system registers the vehicle's position on the road (center, left or right). To remain active, the system requires the driver to keep their hands on the steering wheel even without steering. The driver can regain control at any time by using the steering wheel (to cancel LPA) or by braking (to cancel ACC Stop & Go).

- (1) Optional or unavailable depending on version.
 (2) Standard or unavailable depending on version

PEUGEOT MATRIX LED

The system automatically adjusts the headlight beams to the traffic conditions, maintaining optimal lighting without interfering with other road users (such as oncoming traffic or vehicles in front).

The system works at night, outside a lit area (<5 lux) when the vehicle speed is higher than 40 km/h.

The system has five specific lighting modes for each driving situation.
